FAMILY
FINGERPRINTS

ANALIA transforms your lineage into a unique art collection designed from the fingerprint of your family members then painted by the artist.

YOUR LINEAGE

The **DYNASTY MARK ART COLLECTION** can be read like a map of the evolution of your family's history. As you move from the fingerprint of each generation, you are moving forward in time.

CUSTOMIZED

Each personalized art collection is unique as is each family and through the **creative choices**, this allows you to become part of the **creative process**.

INNOVATIVE
TECHNIQUE

This innovative art collection starts from "classical" **painting on acrylic**.

These artworks then "function" either independently as paintings, or as **the basis for experimenting with digital art technology**, as the artwork is empowered with **Augmented Reality**, to be discovered by the viewer using "special weapons" in his/her hands: **a smartphone or tablet with a dedicated app**.

ART +
TECHNOLOGY

Through the application **DYNASTY MARK LOVE LEGACY APP**, the user enters into an active view of each mark artwork, immersed in the added reality created by the painter, that empowers the static picture with realistic dynamic details and an emotive message, your **LOVE LEGACY expressed to YOU**.

It's as easy as **opening the app and pointing the tablet** camera to the mark artwork and this **family member will talk to you!**

TO BE CONTINUED

With the **DYNASTY MARK ART COLLECTION by AB** in your home, Analia can expand your art collection by **adding pets and new family members at any time**. Also she can **add different chapters to your LOVE LEGACY APP** as they occur creating a "live art collection" within your family.

Painting and Digital Art as the **TECHNIQUE** offers an innovative unique experience. In a fun and interactive **5-PHASE PROCESS**, the artist brings the family together in an unforgettable activity for everyone. Within a short **TIMELINE**, you can have your exclusive art collection that will last you and your family forever.

Here are some ideas on how to turn your **DYNASTY MARK ART COLLECTION** into **GIFTS**. Learn more about the details in **ANALIABORDENAVE.COM** and start the process to leave your family's mark.
